Airline Tickets Fast and Cheap Compliments of "Cheapskate Charlie"

GTI's lightning-fast Reservation Center is a reality thanks to the genius of "Cheapskate Charlie" - a new programmer hired to invent a quicker and cheaper way to book airline tickets. Since we've incorporated his innovative program, GTI has been able to guarantee the lowest airline fares available at the time of booking... and in record-breaking speed. Most phone calls are now answered in an amazing 30 seconds or less! As a result of our improved system, an airline

The story you have just read is true. The programmer's name has been

revolution has swept across the family of GTI Independent Agents. With speed and efficiency unparalleled by any other agency, GTI has essentially cornered the market on airline reservations for Agents, clients, and even major businesses. Want a guarantee? Heck, you've got one! We guarantee you'll be shocked at how **fast** you get the **lowest** fare available at the time of booking. So give us a try. We can't wait for you to give us another test flight!
